Wesmor Public High School Block 4 Newsletter

Administrator's Message:

Here we are into Block 4 already! This is the time when our Grade 12 students are counting down to Grad 2020 which makes it very important for them to attend regularly and focus on completing assignments in order to earn those final credits which will make them eligible to graduate.

Some of our Wesmor staff and student leaders will also be visiting Grade 8 students from our elementary schools to share all the exciting and wonderful opportunities that Wesmor Public High School has to offer. We would also like to take this opportunity to invite potential students, caregivers and community members to our Open House on Tuesday, March 31 at 5:30-7:30 pm

Ms. G. Sinoski & Mr. M. Bergen

Upcoming Events:

Student-Led Conferences 5:30 p.m. - 7:30 p.m. - Tuesday, March 31, 2020

Student-led conferences are a wonderful opportunity for students to share their successes, growth and goals with their caregivers. Students and caregivers who attend will have the opportunity to win prizes, and complete a survey to provide ideas for continuous improvement at Wesmor. Coffee and treats are also provided.

Open House 5:30 p.m. - 7:30 p.m. - Tuesday, March 31, 2020

Grade 8 students and their families are invited to join us for a tour. Take this opportunity to learn about what Wesmor has to offer such as: wildlife management, land-based learning, drama classes, Armed Forces Co-op Program, Emergency Services Response Training, guitar classes, breakfast and lunch program.

Wesmor Student Mentor Program:

Cory Opoonechaw or Thomas Crain are happy to talk with you and provide assistance with getting an ID, a SIN number, a job, a bank account, or discuss a plan for your future. Mentor's office is located in room 20.

Student Attendance:

Attendance significantly impacts student achievement. We are encouraging all students and caregivers to make regular on-time attendance a priority. Those students who attend regularly and engage in their learning are far more likely to be successful in school. Please remember to send a text message to (306) 981-5231 or call us at (306) 764-5233 to let the school know when you are going to be unable to attend classes.
